

Transportation Assistance Registry

Finding Help In Texas

Have you added your name to the list? ESRD patients should register now with Transportation Assistance Registry. TAR is part of the state wide emergency preparedness plan, TAR enrolls ESRD patients for local emergency assistance in case of an evacuation or other local emergency. This enrollment is for ESRD patients that **would require assistance** during a local emergency or evacuation. There are two ways to enroll: Call 211 from any land line or fill out an enrollment form and fax it to the number listed on the top of the page. You can download a form from the TEEC website at www.texasteec.org or ask your facility Social Worker for assistance.
