Finding Help In Texas

Have you added your name to the list? March is early enrollment for the ESRD community with Transportation Assistance Registry. As part of the state wide emergency preparedness plan, TAR will begin registering ESRD patients during the month of March for emergency assistance in case of an evacuation or other emergency. This enrollment is for ESRD patients that would require assistance during an emergency or evacuation with transportation or shelter. There are two ways to enroll: Call 211 from any land line or Fill out an enrollment form. You can download a form from the Network website at [www.esrdnetwork.org](http://www.esrdnetwork.org) or ask your facility Social Worker for one.
