

## **CMS Adds New COVID-19 Clinical Trials Improvement Activity to the Quality Payment Program**

CMS issued a letter thanking clinicians for their ongoing efforts to treat patients and combat COVID-19 and shared additional details on the new Merit-Based Incentive Payment System (MIPS) improvement activity. As announced earlier this month, clinicians who participate in a COVID-19 clinical trial and report their findings to a clinical data repository or registry may now earn credit in MIPS under the Improvement Activities performance category for the 2020 performance period by attesting to this new activity.
