  - Host Virtual Webinars or Podcast to talk about myths, fears, pros/cons of home dialysis
- Join our PAC for a Home Dialysis Hero Interactive Call on **1/12/21 at 1:30 PM**
- Each Facility must recruit **At least 1** Home Dialysis Hero by **12/31/20**
- Learn more about Home Dialysis Hero Role [HERE](#)
The Network developed a Patient Portal with resources and videos highlighting important healthcare topics.

The Patient Portal is not only for patients, but for caregivers and family members too! It is updated monthly with the newest available resources.

Visit: www.esrdnetwork.org/patient-portal
Monthly Portal

- All Requirements and Resources will be posted on the portal [HERE](#).
- The Monthly Feedback Survey is at the bottom!

*Only do the Home Package side of the portal*
