

Monthly Transplant Education Webinar Series

Kidney Transplant: Power to Choose *A Patient and Support Team Educational Webinar*

Join educators from the Houston Methodist Hospital J.C. Water Jr. Transplant Center as they deliver up-to-date information and guidance on kidney transplantation.

Topics to be discussed:

- Why should I consider kidney transplant?
- What does the kidney transplant evaluation look like and how long will the process take?
- What is the surgery like for the transplant recipient?
- What is the surgery like for the living kidney donor?
- What are the risks for both recipient and living donor?
- How long will I be in the hospital for my transplant?
- What does my daily life look like after transplant?
- And much more!

When and where?

This session is being offered ***monthly on the second Thursday of the month at 4pm*** as a webinar. We recommend that you join with a device that will let you see the slides we will present.
