

Monthly Webinar Series Kidney Transplant Updates *For the Health Care Provider*

Join educators from the Houston Methodist Hospital, J.C. Water Jr. Transplant Center as they deliver up-to-date information and guidance on kidney transplantation.

Topics to be discussed:

- Transplantation during a global pandemic
- What resources are available to the dialysis and nephrology care providers to assist in transplant education?
- Telemedicine education sessions for patients and their support network
- COVID 19 testing and safety protocols for transplant patients
- What troubles are you having with transplant programs and how can we help?

When and where?

This session is being offered on the ***second Thursday of every month at 10am*** as a webinar. We recommend that you join with a device that will let you see the slides that will be presented.

**Beginning Thursday, August 13, 2020
