You have the power to choose

Kidney transplant is a lifesaving treatment for kidney failure, and gives patients the best chance at living the longest life possible. Knowing more about transplant gives you the power to make the best decision for your health journey.

Join the Houston Methodist J.C. Walter Jr. Transplant Center team to explore your options and learn the facts.

We now offer private, virtual sessions to answer questions, provide insight into kidney transplant, and assist you and your caregivers in seeing what a transplant can mean for your life.
Schedule a private transplant education session now!

A simple email is all it takes to schedule your personalized, private, virtual transplant education session with our team.

Want to learn about transplant with your friends, family and caregivers by your side? You have the power to share the meeting link with whomever you want to be involved, regardless of where they live.

Email us now to set up a learning session based on your schedule. kidneytransplant@houstonmethodist.org
