Am I eligible for Transplant?

- Take a Questionnaire to find out!

Ask your team for Full Questionnaire handout to check your eligibility!

Do you have Medicare coverage? Most of the cost related to Transplant, including the work-up process is covered by Medicare. Talk to your Social Worker if you are not sure of your coverage.

Do you have or can you arrange care givers while you are recovering from Transplant? You need someone to take care of you after the surgery.

Do you have any active problems with alcohol, cigarettes, or any drugs? Hope you don't! It affects your eligibility for transplant.

Ask any questions of your treatment choice to "Modality Expert Team (MET)" today!
