

Going Back to You!

Promoting Home Dialysis and Transplant

May, 2020

What are the **benefits of Home Dialysis?** Why should I switch?

There is no any other place like Home!

You are the BOSS! You have a greater independence and control of your care!

You can save the time and cost of traveling to Dialysis center!

Your diet might be liberalized!

You can possibly reduce the number of medications that you are taking!

Your day can be flexible and you have more freedom to do your favorite activities!

You can travel again! Both Home Hemo and Peritoneal Dialysis allow you to travel!

Your Transplant outcomes will be better on Home Dialysis!
(Shown by studies)
