

Social Workers—please share with your patient population.

Attention: Patients, Family Members, and Care Partners

The ESRD Network of Texas, Inc. (Network 14) needs a few good men and women to serve on the **Patient Advisory Committee (PAC)**.

PAC members cover all treatment types (in-center hemodialysis, home therapies, and transplantation). The **PAC** members include patients, family members (including parents of pediatric patients), and care partners from all areas of Texas. The **PAC** holds regular conference calls and face-to-face meetings each year (travel is required and expenses are paid by Network 14). **PAC** members work with the Network to improve the quality of care and quality of life for Texas ESRD patients. Some **PAC** members also serve on the Medical Review Board and the Corporate Governing Board.

If you are interested in joining the **PAC**, please do the following to be considered:

1. Submit a **Subject Matter Expert Application Form by October 1st**. You can get it from your social worker or download it from <http://esrdnetwork.org/patients-families/pfcc/>.
2. Ask two members of your Care Team or family members or friends to send a letter of recommendation to the ESRD Network of Texas.

Don't forget to include **YOUR NAME, ADDRESS, PHONE NUMBER**, and the **NAME OF YOUR DIALYSIS OR TRANSPLANT FACILITY** in your letter of recommendation.

For questions, please contact **Debbie O'Daniel** at dodaniel@nw14.esrd.net or **469-916-3804**.

Send all forms and letters to:
