

# PUNCH OUT INFECTIONS ALL YEAR LONG!

**Print & Hang this Calendar in Your Facility...**

**Involve your patients in an Infection Free Year!**

**Encourage your patients to Grab a Punch Card and track the months they remain infection free, by “punching-out” the germ!**

## **Option #1: Paper Sized Calendar**

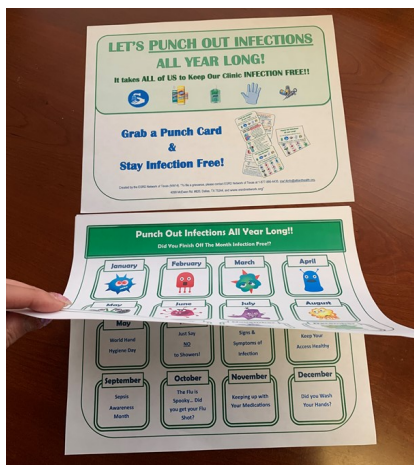

# OPTION # 1: Print Pgs. 3-6

## Option # 1:

## Paper Sized Calendar (Quick Option)

## Punch Out Cards (IN A SEPARATE DOCUMENT)

◆ **Print Pages 3-6**, the **Paper Size Calendar** and post it, as shown in the picture, somewhere visible to staff and patients.

⇒ Pg. 3: Calendar Title Page to Introduce the Activity

⇒ Pg. 4: The Calendar Germs, to be “Punched Out”

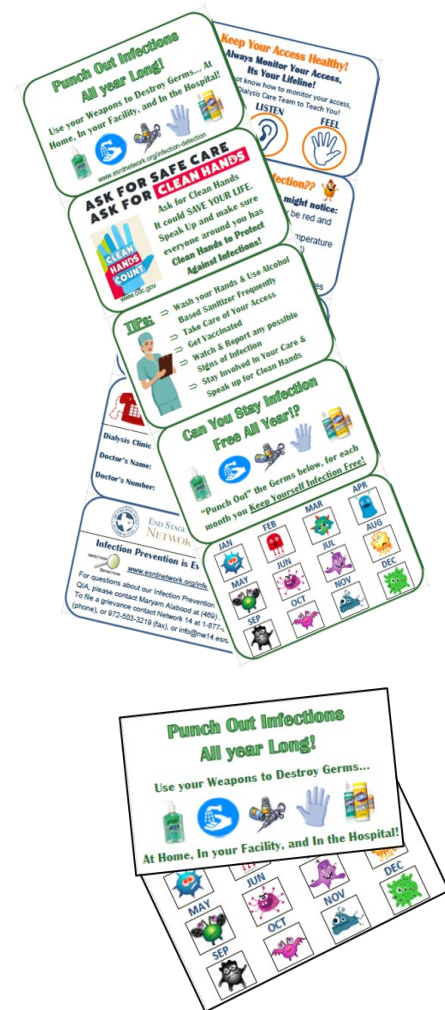

⇒ Pg. 5: Monthly Infection Prevention topics you can use as conversation starters with your patients.

⇒ Pg. 6: Infection Free “Punch Out”, to put on top of the monthly germ if the facility has an Infection Free Month!

◆ **Print Pages Patient Punch Out Cards**, which are in a separate document. To use the Punch Cards, you can:

⇒ Have a dedicated staff member to “punch out” patient’s wallet cards, and give them recognition or a prize when doing so.

⇒ Patients can track their own progress, and “punch or scratch out” their own wallet cards, to possibly redeem for a prize at the end of the month/year etc.
