

PUNCH OUT INFECTIONS ALL YEAR LONG!

Print & Hang this Calendar in Your Facility...

Involve your patients in an Infection Free Year!

Encourage your patients to Grab a Punch Card and track the months they remain infection free, by “punching-out” the germ!

Option #2: Poster Sized Calendar

We recommend using the POI Calendar to hold a Lobby Day to Promote an Infection Free Culture!!

OPTION # 2: Print Pgs. 3-13

Option #2:

Poster Sized Calendar

Punch Out Cards

(IN A SEPARATE DOCUMENT)

- ◆ **Print Pages 3-13**, the **Poster Sized Calendar pieces**, cut them out, and post them as shown in the picture somewhere visible to staff and patients!

- ⇒ Pg. 3-5: Calendar Title Page cut out pieces
- ⇒ Pg. 6-7: Infection Free “Punch Out” pieces, to put on top of the monthly germ if the facility has an Infection Free Month!
- ⇒ Pg. 8-13: Monthly Germ pieces, and Monthly conversation starters topics to use with your patients. (place under the monthly germs)

We recommend holding a Lobby Day!

- ◆ **Print Pages Patient Punch Out Cards**, which are in a separate document. To use the punch cards, you can:
 - ⇒ Have a dedicated staff member to “punch out” patient’s wallet cards, and give them recognition or a prize when doing so.
 - ⇒ Patients can track their own progress, and “punch or scratch out” their own wallet cards, to possibly redeem for a prize at the end of the month/year etc.

Let's Punch Out
