

**Dentures are not included in the dental benefit (across all Medicare Advantage Plans).**

Additional information:

- Under the standard program, any time of year the client can call into customer service to add dental for \$37.
- If a member is on the United Healthcare **Dual Complete** plan then dental benefits (\$2000) are already included.
- If a member is on the regular MA plan (**UHC AARP Medicare Complete Secure Horizons**) then they would need to contact an agent regarding a dental rider or the agent could check if the patient qualifies for a plan change. The member could also call UHC customer service directly if they wanted to bypass an agent, but I have found the best services are received when dealing with someone local.

Thank you for your interest in becoming a patient at Texas A&M University Baylor College of Dentistry. We are a teaching institution in which treatment is provided by students and supervised by licensed clinical faculty. A screening appointment is necessary to determine if your oral health needs match the educational needs of our students.

Screening Appointments - By Phone

Applicants may call 214-828-8981 for screening appointments for the following week until all appointments for that week are filled.

Please DO NOT call any other number at the college for appointment or information. Appointments cannot be made at other numbers, and your calls cannot be forwarded.

Please note:

\$78.00 for registration, screening and x-ray fees is non-refundable.

You will need to bring \$278.00 for your screening appointment. Acceptance as a potential undergraduate patient, or referral to our graduate clinics for additional screening, does not guarantee that you will be assigned to a dental student or resident for treatment. No dental care will be rendered during screening exams.

**IMPORTANT!** Please read:

Fees for service are not based on income and are due in full each visit.

Accepted forms of payment are cash, check, money order, Master Card or Visa Insurance, including Medicaid/Medicare is not accepted as a form of payment for adult dental care.

Hope this helps! ☺
